Registration of Broodmares

The fee for **mare** registration is **\$50**. **Mares must be registered prior to foaling**. If you purchased a mare that was previously registered, you must transfer her into your name. **(Otherwise the previous owner will get breeders awards)** The fee for transferring a mare is \$25 If you have a new mare, be sure to get her registered with the Nebraska thoroughbred Registry before she foals in order to have the foal eligible for Nebraska Bred Certification. Only the breeders of Certified Nebraska Breds are eligible to receive Breeders Awards.

Registration of Stallions

A **stallion** must be registered with the Nebraska Thoroughbred Registry **before he services any mares**. The **fee for stallion registrations is \$50**.

Certification of Foals

One of the biggest problems that occurs for breeders is that they do not get their foals certified early. It is extremely important that you get your Nebraska Bred eligible foals certified now. You will not be able to run your horse in Nebraska Bred races nor will you receive any Breeder's Awards if the foal is not **certified prior to entry**. ****The fees are \$50.00 for all ages!** Please don't wait until the last minute. (**Note Change)

For Help and Information

If you need assistance in the certification of foals or the registration of broodmare and/or stallions, please contact the NTBA Office, PO Box 2215, Grand Island, NE 68802 or call (308) 384-4683. Cell # 308-383-2099.

Incomplete Files

Incomplete mare registrations and foal certification must be completed. If you have not completed the paper work, contact the office for advice on how to get this done. Remember, mares must be registered before they foal and foals must be certified before they can enter a Nebraska Bred race. If you buy a mare that is already registered in Nebraska, you **MUST** transfer the mare into your name, otherwise you will not be the breeder of your foal.

Entering Nebraska Breds in Nebraska Bred Races

Please be sure your papers are stamped **before you enter your horse in a Nebraska Bred Race**. There may not be time to certify your Nebraska Bred the morning you are entering if your papers are not in order. This would mean you cannot enter your horse. So please make sure all your paperwork is finished. This is where we are running into some problems. It is not fair to the others who have their horses certified prior to entering. So please, if you are a new Nebraska bred owner, contact the Breeders office to help you get your paperwork done, or if you have any questions regarding certifying your Nebraska Bred foal.

Breeder Awards Money

If you are to receive Breeders Award money and have not received them yet, you need to call Carolyn at 402-564-2374 in the bookkeepers office to make sure you have all the information she needs to send you a check. She needs your Social Security number and for you to have a W-9 filled out.
